

Embracing the Truth of Your Divinity

~ *Transcendence* ~

*May we celebrate our journey into and out of the darkness
while embracing our experiences with full acceptance.*

Zientah

This month is MAGICAL as We, the collective of humanity, have created a special day, the fourth Thursday of November, to give thanks for ALL that is in our lives... especially that which feeds, nurtures, and supports our walk as Spiritual Beings upon the Earth.

A biblical quote says it all...

"In everything give thanks, for this is God's will for you..."

1Thesolonians 5:18 NAS

A simple and profound concept to instill and navigate our energetic creations.

Magic reveals itself according to our ability to be thankful as we walk through our life experiences; feeling them, embracing them, and then moving through them to higher states of consciousness. We *transcend* from emotional states of fear, insecurity, indecision, anxiety, aloneness and aloofness, to states of Beingness, such as Love, Security, Decisiveness, Peace, Connectedness, and Passion.

I give special THANKS for You who take the time to read these articles; as their words and energy may weave themselves through multiple layers of understanding.
