***“The important thing is not to stop questioning.  
Never lose a holy curiosity.”***

### **Dear Cosmic Dude:**

***“Sometimes it feels like parts of me don’t know what to believe anymore and at times I feel depressed or frustrated. Part of me wants to do ‘this’ and part of me wants to do ‘that’ and part of me just wants to go home... wherever that is. What’s wrong with me???”***

### **Namaste Fragmented... ‘you’-‘You’-‘YOU’...**

There’s nothing ‘wrong’ with **‘You-All’**... never was and never can be or will be. The deeper understanding is:

**you/You/YOU ARE NOT ALONE!!!**

OH BOY... I have personally awakened to the realization that the limited self I thought I was is way more powerful, expansive, and creative than I ever imagined and these ‘parts’ are very real Spiritual Aspects of the total ‘ME’.

When we’re born... we are informed and tend to believe that we are alone in this vehicle (body). Much like operating a motor vehicle... we believe we have full control and responsibility for determining its course, speed, and maintenance. Then we discover, in glimpses or perhaps abruptly, that we have another Spiritual passenger or two riding with us.

Some humans discover their vehicle is like a pick-up truck or a minivan and there are many other passengers (**Aspects**: Spirits, Entities, ET's, Walk-ins, Etc.) along for 'Spiritual Reasons'. Others discover their vehicle is like a bus with Spiritual Beings getting on and off.

This may account for any voices in your head. These can be nudges (feelings you should do 'this' or 'that') and/or physical manipulations of your vehicle (body) that may become more pronounced because '**They**' haven't been heard.

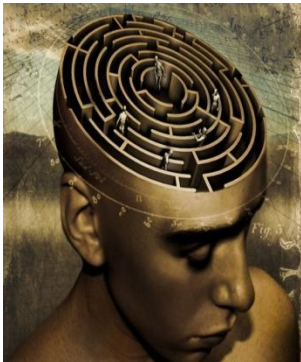

There's a joke:

***“I used to be schizophrenic...  
but we're ALL OK now!”***

I personally integrated ALL of my aspects years ago, and have developed a seven-step process to assist others in accomplishing the same thing.

**Now we're all one big happy family of:**

**ONE-MIND-SOUL-SPIRIT-PURPOSE.**

***What if... you could discover the total number of 'Parts/Aspects' you have?***

***What if... you could know why they joined with you in the first place?***

***What if... you ask now... and assistance is available?***
