*“The important thing is not to stop questioning.
Never lose a holy curiosity.”*

Dear Cosmo:

Sometimes I feel like I'm a marionette being *pulled* here and there and sometimes I feel like I'm a puppet being *pushed* here and there so... What am I... a Marionette or Puppet or Spirit?

Namaste Sometimes:

The answer is: yes... Yes... YES... and you are MORE than that.

Let's simplify shall we...

Marionette: Your strings are the external input (five physical senses) that are being experienced by you and recorded in your brain. Of course that has been happening since you were born on earth and recorded as mostly BELIEFS. Then these neuron bundles of beliefs unconsciously project a vibration to the universe and in turn bring you into a reality that matches that vibration. This continues until you consciously choose something different.

Puppet: This consists of your internal Divine Spiritual Aspects and is everything other than your Marionette neuron bundles of beliefs and your Divine Human Soul/Spirit. These Aspects were all created by God so I call them “Divine”. They have their own agendas and mostly are here to help You, Them, and Humanity become more enlightened as to how to create and experience higher realms of realities. Getting to know them is what I call “First Contact” because they are mostly your Spiritual Angels, Guides, Ancestors, Future Lives, Lightbeings, Starseeds, etc.

SPIRIT: I call this Your Divine Human Soul/Spirit. To be clear about what I mean there needs to be a distinction between Soul and Spirit. I find it easier to understand if you consider Human Soul as your personal Akashic Records of all your lifetimes and BEingnesses you ever experienced (Your Higher-Self) and your Human Spirit as that Core Essence that is, was, and always will be One with God which has NO personal agenda because it is ALL that is, was, and ever will be.

To elaborate further on Puppet or Your Aspects...
Below is a question I answered years ago that may be helpful:

*“Your theory is crazy,
but it's not crazy enough
to be true.”*

~ Niels Bohr ~

(Nobel Prize for Quantum Structure)

Dear Cosmos:

“OK... For years I have been hearing about ‘Angels’ and ‘Aliens’ and ‘UFO’s’ and ‘First Contact’. There is oodles of information on the internet and much of it appears to be so ‘vast’ and ‘way-out-there’ and ‘crazy’ that I’m not sure what to believe. Will you simplify this for me?”

Namaste ‘not sure what to believe’...

OK... Sure... here goes: **IT’S ALL TRUE...** ‘Now’... and ‘Then’...

If you fully embrace the understanding that “Reality is Observer Created” and take into consideration there are approximately 7.6 billion human souls, both observing and re-creating their own individual/collective realities; realizing that they Overlap, Intertwine & Interact with ours... you start to awaken to the fact that **“All things ARE Possible”** (You will find that quote in many GOoD Books).

So... what-on-earth does that have to do with the question above, you may ask?... **Everything...** because our individual, collective & collaborative ‘day dreams’, ‘Night Dreams’ and ‘**ONE**-ness **DREAMS**’ are manifesting at many levels, dimensions, and realms simultaneously.

As Above so Below & As Below so Above

The conscious 3d/4d Space/Time Continuum we experience when we’re observing in the ‘day dream’ is a barometer of where our beliefs, focus, attention and passion Had Been (Ex: My/Our physically observing the Combined individual and collective physical creations).

The Unconscious ‘Night Dreams’ are higher levels of real experimental and experiential realities. These are ‘practice sessions’ or ‘plays’ where we safely ‘test’ our emotions and beliefs. Next we dabble with creating a 3d/4d personal expression during our awake illusionary state (Ex: Our Higher Self playing with ideas and planning our next day).

The ONEness Consciousness or Void is the state of ‘ONE-ness DREAMS’ that can be accessed in the conscious or unconscious state of Being/Mind and is truly where **“ALL things are Possible”** because **IT IS** where EveryThing **IS** simultaneously. (Ex: OUR ONE reservoir of ‘Dark Matter/Energy’ Potentials)

Now... There are levels more expansive and different than these, however, let's save that for another question.

Sooo... ‘First Contact’ is an inside job where Divine Spirits (Aspects) join with us and assist in our collaborative discovery and expression of our evolving Souls and its expansion into God/Source/Energy which a close female comical friend of mine calls *“The Holy SHE-HE-IT”*.

Now do you understand why I chose the quote:

***“Your theory is crazy...
but it's not crazy enough to be true.”***

Won't it be interesting when you discover your Divine Spiritual Aspects? Many of these Aspects have been wanting to converse with you for eons.

Sooo... Are you Curious about...

‘Who’ is yearning to say “HELLO” to you?

Why they choose to be with you now?

What they desire to assist with?
