

# Embracing the Truth of Your Divinity

## *Spiritual Union*

*Could this really be possible... did I really F E E L the Love & Approval  
of my Spiritual Family?*

I was standing in the Creative Heart (*September article*) as David & I were performing our Spiritual Wedding Ceremony... when I felt a soft, gentle, and unexpected energy move across my face. It happened as I invited my Spiritual Family to join us. This energy transmitted a definite YES from my Family and felt like their signature of APPROVAL regarding this commitment that I was making. I knew then that I was definitely on the right path. *I will always remember this event... as the Beginning of the End.*

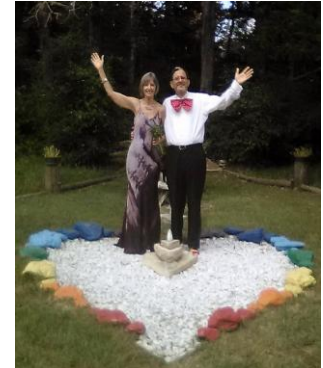

For as long as David & I have been together, we have followed our Inner Guidance. The decision to perform our own Spiritual Wedding ceremony; with only David and I physically present, was no exception. We chose the day of July 25<sup>th</sup> (2015). This particular day is celebrated as *A Day out of Time* according to Mayan Traditions. On this day, we were encouraged to step out of our current definitions of Time, and consider "Time as ART". In this way, we became deeply mindful of what we were doing and feeling, and consciously allowed LOVE to flow freely during our ceremony.

In preparation for the ceremony, I was pondering one day on what I would wear, when a good friend, Carol, came over with a very unique dress. Carol gifted me with a beautiful earthy dress depicting fairies and elemental energy. I knew this was the dress I would wear. David, in his unique and humorist self, would wear his large polka dot bow tie and compliment it with his rainbow striped socks! Yes... we were BEING our Authentic selves.

Coming back to the ceremony... dressed and ready to begin, we proceeded through the Creative Heart. We then invited our Ancestors, Soul/Star Families, Human Friends, Galactic Friends, Mother Earth (Plant, Animal, & Mineral Kingdoms), and ALL of LIFE to join with us in their Etheric/Spirit form to EXPERIENCE our union of ONENESS.

*We Embraced these moments with deep Gratitude as Inner Stillness and a sense of Peace permeated our Being.*

We each experienced our Soul/Star Family Presence and were instilled with the knowledge that the *'hatchet would be buried between our Galactic Spiritual families'*. WE knew then that it would now be possible for deeper Connections, Healing, and Expansions of Consciousness to occur.

Throughout the next five years David & I have learned to balance many of the extreme differences between us, our Ancestors and Soul/Star Families. We have resolved many differences and discovered a lot about the dynamics of Spiritual relationships through our work together in discovering our Soul/Star Family Aspects. This discovery and opportunity to expand our communication abilities and resolve these differences has brought Calmness, Harmony, and Unity between our inner selves and outer selves.
